§ 121.407 What are the size procedures for multiple item procurements?

If a procurement calls for two or more specific end items or types of services with different size standards and the offeror may submit an offer on any or all end items or types of services, the offeror must meet the size standard for each end item or service item for which it submits an offer. If the procurement calls for more than one specific end item or type of service and an offeror is required to submit an offer on all items, the offeror may qualify as a small business for the procurement if it meets the size standard of the item which accounts for the greatest percentage of the total contract value.

§ 121.408 What are the size procedures for SBA's Certificate of Competency Program?

(a) A firm which applies for a COC must file an "Application for Small Business Size Determination" (SBA Form 355). If the initial review of SBA Form 355 indicates the applicant, including its affiliates, is small for purposes of the COC program, SBA will process the application for COC. If the review indicates the applicant, including its affiliates, is other than small, SBA will initiate a formal size determination as set forth in §121.1009. In such a case, SBA will not further process the COC application until a formal size determination is made.

(b) A concern is ineligible for a COC if a formal SBA size determination finds the concern other than small.

§ 121.409 What size standard applies in an unrestricted procurement for Certificate of Competency purposes?

For the purpose of receiving a Certificate of Competency in an unrestricted procurement, the applicable size standard is that corresponding to

13 CFR Ch. I (1-1-03 Edition)

the NAICS code set forth in the solicitation. For a manufactured product, a concern must also furnish a domestically produced or manufactured product, regardless of the size status of the product manufacturer. The offeror need not be the manufacturer of any of the items acquired.

§ 121.410 What are the size standards for SBA's Section 8(d) Subcontracting Program?

For subcontracting purposes pursuant to section 8(d) of the Small Business Act, a concern is small:

(a) For subcontracts of \$10,000 or less which relate to Government procurements, if its number of employees (including its affiliates) does not exceed 500 employees. However, subcontracts for engineering services awarded under the National Energy Policy Act of 1992 have the same size standard as Military and Aerospace Equipment and Military Weapons under NAICS code 541330;

(b) For subcontracts exceeding \$10,000 which relate to Government procurements, if its number of employees or average annual receipts (including its affiliates) does not exceed the size standard for the product or service it is providing on the subcontract; and

(c) For subcontracts for financial services, if the concern (including its affiliates) is a commercial bank or savings and loan association whose assets do not exceed \$100 million.

§ 121.411 What are the size procedures for SBA's Section 8(d) Subcontracting Program?

(a) Prime contractors may rely on the information contained in SBA's Procurement Automated Source System (PASS), or equivalent data base maintained or sanctioned by SBA, as an accurate representation of a concern's size and ownership characteristics for purposes of maintaining a small business source list. Even though a concern is on a small business source list, it must still qualify and self-certify as a small business at the time it
